Four issues (per issue)

Full page colour Kshs. 20, 000

Half page colour Kshs. 10,000

Quarter page colour Kshs. 5, 000

Insecurity along Marula Lane

There were two separate incidents reported on Tuesday this week that occurred within half hour of each other, carried out by the same 2 man gang. The muggings targeted women walking on Mbagathi Ridge and junction of Forest Lane and Marula Lane. The attackers were armed with a pistol but no one was hurt. They took all valuables from the victims. The vehicle used was a **BLACK TOYOTA REG NO KBN 387Y.**

Both Ultimate and Karen Police are increasing their patrols. A general warning is to avoid walking alone carrying valuables cash/jewelry. Be safe.

Tree cutting along Forest Edge Road

A concerned resident of Forest edge gardens informed KLDA of the tree cutting exercise along Forest Edge road and tree cutters were selling the wood on site.

Klda followed up the matter with the our contact person Mr. Wachira of the Kenya Forestry Service who confirmed that indeed the trees were being cut for the purpose of paving way for the road construction on Langata Road. The tree buyers on site were licensed to buy the wood which was cut to manageable sizes for easier transportation.

Monday morning the Forestry officials visited the site to ensure that all the branches obstructing residents of forest edge gardens were cleared and the road is passable now.

Illegal Development

Klda with its mandate to control illegal development came across plot no: 10210/17 and 10210/16, change of user from residential to commercial. The access road to these plots comes out on the cusp off Marula Lane, Karen Rd/ Langata Road junction which is a staggered junction. We noted that there is no date on the notice and we do not know when the 14 days started. With the participation of residents we are able to stop this kind of development, send in your comments through email to petition this development.

KLDA is there to support Neighborhood associations petitioning for illegal development. Keep us informed.

Klda annual subscription

We encourage members who have received invoices to pay up their annual subscription.

New KLDA membership

KLDA welcomes the following residents associations as members of KLDA

- Kasuku Close Neighborhood Association
- Treelane Neighborhood Association
- Hardy residents Association
-

We encourage more neighborhood association to join KLDA to work together in bringing maintaining the Karen character, scale and aura.
